Your 1098 which will be printed on the last page of your December statement if you paid more than \$600 in interest on a home equity loan.

HOW SHOULD I MANAGE MY HOLIDAY SHOPPING EXPENSES?

Holiday season is fast approaching and it's going to look different this year. The last thing you should have to worry about is the stress of managing your expenses as you get all your holiday shopping done. LIAFCU is here to help so you can worry less and enjoy the holiday season. We've put together a few options to help mak your gift-giving as stress-free as possible!

1.) Holiday Loan

If your holiday expenses will be up to \$2000, you can apply for a holiday loan with Long Island Alliance FCU. Our Holiday loan's interest rate is 1% less than our personal loan and you will pay it back in one year which means next year this time you are done with paying back your loan.

2.) Personal loans

If your holiday expenses are more than \$2000, apply for a personal loan with us. Our personal loan's interest rate is much lower than the interest rate on credit cards.

3.) Skip-a-Payment

At Long Island Alliance FCU, we offer you our own gift this time of year: the option to skip a loan payment to give you that extra cash flow. When you choose Skip-a-Payment, you can pay for those presents without adding to your current debt!

4.) Holiday Club Account

Our Holiday Club account allows you to start earning dividends from the moment you make your first deposit to the day of withdrawal, no matter the amount. The dividends are posted quarterly and the funds are automatically transferred the first week of October into either your Checking Account or Regular Savings Account.

Call us at (631) 291-9160 or come in and let LIAFCU eliminate your holiday season stress!
