Opportunity Knocks

Long Island State Employees FCU is offering college-bound high school seniors with the opportunity to compete for statewide scholarships to either a two or four year accredited educational institution. It's a simple three step process, making this an opportunity students shouldn't pass up.

Step 1: Stop in the Credit Union office to request a scholarship application form. The student must be a member of the Credit Union.

Step 2: Complete the application form, write an essay and obtain the required transcripts along with the signature of the student's parent or guardian.

Step 3: Return the completed form to the Credit Union no later than January 23, 2009.

There is no fee for submitting an application, but students applying MUST be:

- Member of the Credit Union.
- College bound high school seniors at the time of the application to either a two or four year accredited educational institution; and
- Attending college for the first time in the fall of 2009.

In early spring, applications will be judged against other submissions statewide. Winners will be announced in April.

For more information about this scholarship program, call our office at (631) 291 9160.
