## Manager's Message

After a long, difficult winter, the warmer weather of spring is finally here.

Everyone wants to welcome the sunshine. Maybe it's starting that vegetable garden, swimming in your new pool, biking through the local parks, or finally taking that European vacation? The point is, like most people in the Northeast, you are ready to get moving! Your "To Do" list just got a lot longer. Well there's one thing you can cross off your list because Mobile Check Deposit is here!

In our continuing effort to bring you the latest and greatest technology has to offer, we are introducing Mobile Check Deposit. Mobile Check Deposit allows you to deposit checks remotely into your account using your Android mobile or iPhone. If you haven't already, just download the Long Island State Employees FCU mobile banking app. It's timesaving and convenient. And It's also FREE!

Our mobile banking app allows you to securely access your account anytime and anywhere. With our mobile app you can check your balances, make transfers, check holds, find an ATM or branch location and access Bill Pay. And now you can deposit checks from your mobile device as well!

However, you must be approved for this service. Access will only be granted to members whose accounts are in good standing without any history of abuse or misuse of their account. If you are interested, contact us @ 631-291-9160 or stop by the Credit Union for a Mobile Check Deposit Application.
