

Long Island SOUNDS

Invested in Our Members Since 1938

MISSION STATEMENT — The mission of the Long Island Alliance Federal Credit Union is to provide a wide range of quality financial services based on the needs of our members, while maintaining the safety and soundness of the Credit Union.

Dear Member,

It is with mixed emotions that I share my decision to retire from my role as Manager of the credit union. What began as a professional opportunity quickly became something much more meaningful—a chance to build relationships, serve our community, and grow alongside all of you. I have truly cherished being part of your lives- whether helping you reach your goals, navigate life’s changes or simply sharing a friendly conversation.

Over the years, we’ve accomplished so much together. I’m especially proud of how we embraced change and moved our credit union forward—introducing online banking, launching our mobile banking app, adding mobile check deposit, upgrading debit and credit card security with EMV chip technology and fraud monitoring. At the same time, we worked hard to improve in-branch technology and streamline services to make your experience faster, easier, and more secure—while still holding onto the personal touch that makes us special.

Through it all, our focus has remained the same: serving you with integrity, care, and commitment.

I am deeply grateful for the trust you’ve placed in me and for the support you’ve shown our entire team. It has been

an honor to lead such a dedicated group of employees and volunteers who work tirelessly for our members every day.

I am delighted that Sanaz Marashi will be succeeding me as Manager. I have every confidence in her abilities and know she will continue to serve our members and the credit union well.

While I am looking forward to enjoying this next chapter, it is not easy to say goodbye to something that has meant so much to me. I will miss the connections, the stories, and the shared sense of purpose that makes this credit union such a special place.

While I will be stepping down from my role as Manager, my commitment to this credit union and its members remains strong. I am pleased to share that I will continue to assist the organization in a consulting capacity, helping wherever needed to support a smooth transition and the continued success of the credit union. It has been an honor to serve our members over the years, and I look forward to remaining connected to the credit union that has meant so much to me.

Thank you for allowing me to be part of your journey. I leave knowing that the credit union is in a strong position and will continue to serve you well for many years to come.

With heartfelt thanks and warmest wishes,
Joyce Miller
